

Stage Two Network Incentive - £200 annual payment

- A childminder applying for the stage two network incentive must have been accepted onto the stage two network by Trio Childcare Connections and comply with the network terms and conditions
- An application for the stage two network incentive can only be made on the application form provided by Swindon Sure Start Partnership
- Incentives are paid on a one off basis for the financial year 10 – 11
- Funding is finite and no incentive can be guaranteed even if the application meets the criteria
- Swindon Sure Start Partnership reserves the right to request the return of the incentive if a childminder no longer meets the conditions of the stage two network
