

# GLF funding pack

Please find attached the pack required for application for EYP status funding and its associated strands.

The Pack contains the following:

- Graduate leader Fund - EYP Pathway application form (setting to complete)
- Terms and conditions of application
- Supply cover application form (setting to complete and return by 30<sup>th</sup> September 2008)
- Individual support bid application (completed by nominated person. Student Bursary / Study Release will be automatically be awarded with the course fees).
- Framework documentation (X 2)
- GLF examples
- Exit Questionnaire
- CWDC document “How do I become a Early Years Professional (EYP)?” –This also gives the web link to access further available information.

You should ensure that you read through all of the paperwork and understand the commitment that you are making. You are also recommended to visit the CWDC website as there is a great deal of information pertaining to EYP and Graduate leaders.

We wish to confirm that existing EYFD funding for a candidate due to commence year 2 or 3 of their degree in September 2008 will continue until the ending of their foundation degree irrespective of their intention to continue to EYPS. Settings may have a different EYP candidate.

On completion of the Graduate Development Incentive candidates will automatically move to the next stage
