

Swindon Sure Start Partnership Funding for Under 5's

Grow Your Pre-school Grant: Revenue Funding 2010 - 11

- Up to £1,000 revenue funding can be awarded as an equipment grant to sessional pre schools.
- Funding can be offered to groups to enable them to meet the flexible offer to parents ie at least five sessions, three of which must be for a minimum of five hours.
- Priority will be given to projects where there is a net increase in Early Education places.
- Groups applying for the funding will need to provide evidence of demand from parents for the additional service.
- Equipment requests need to demonstrate how the funding will enable the group to meet the flexible offer.
- Funding must be claimed in the financial year in which it was agreed.
- Funding will be reimbursed against actual expenditure on production of a claim form and receipts (or other evidence of expenditure).
