

Swindon Sure Start Partnership
Expression of Interest for Sessional pre schools planning to
provide the flexible offer for early education 2011 - 12

_____ pre school wishes to express an interest to Swindon Sure Start Partnership in developing services to meet the criteria of funding to support the flexible offer for early education. The pre school plans to start this additional service from _____.

The group is aware that:

- The maximum grant is £1000 to support the purchase of equipment to enable the group to meet the needs of offering two early education sessions in one day.
- The group will need to provide evidence of market need, a plan to show how the sessions offered will meet the criteria, a costed equipment list and an application form.
- On receipt of an offer of funding letter from Swindon Sure Start Partnership, the group can buy the equipment listed and reclaim the cost of the items on production of receipts and a project claim form.
