

Level 3 Diploma Children & Young Peoples Workforce: Quick reference guide to Level 3 funding

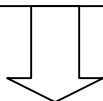

For more information on the unit content of the qualification visit the Qualification section of Children's Workforce Development Council website <http://www.cwdcouncil.org.uk/qualifications/recent-qualifications/level3/units> or contact the Training Providers. You should complete the 'Early Years Pathway' for the qualification to be valid on the 'Qualifications List for those delivering the EYFS'.

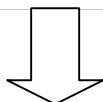

Prior to contacting any Training Providers please read the SSSP funding guide available from http://www.earlyyearschildcare.org/eyr-nav-courses-3/training_application_and_funding_forms.htm Page 5&6 (p5 for childminders/volunteers) details the Training Providers costs to you after any Skills Funding Agency (SFA) funding has been applied and also the SSSP funding that you may be eligible to apply for. Page 7 (p6 for childminders/volunteers) shows the times of day Training Providers offer the taught elements of the qualification.

Details of the units offered by each training provider can be found on the SSSP funding application form – please check units with training providers in case they have changed their selection.

Once you have contacted training providers and decided who you would like to undertake your qualification with please complete the SSSP Level 3 Funding Application form http://www.earlyyearschildcare.org/eyr-nav-courses-3/training_application_and_funding_forms.htm Please ensure you complete all required information on the form or your application may be delayed. Please ensure you have read and signed the student declaration. Your training provider must sign the declaration before you return the form to SSSP.

SSSP funding cannot be guaranteed. We advise you not to commence a qualification until you have received notification from SSSP regarding the outcome of your SSSP funding application.
