

Positive Activities for Disabled Children & Young People in Swindon during school summer holiday 2008

The first page of this leaflet is a **CALENDAR OF SUMMER ACTIVITIES** that lists the activities taking place each day during the summer holiday. This is followed by an **ACTIVITY LIST** that lists each activity in more detail with information about criteria, times and so on. At the back of this leaflet there is a list of **OFSTED REGISTERED CHILDCARE AVAILABLE OVER THE HOLIDAY**.

Activities marked in grey are **CLOSED** groups. This means that they are not currently available for any further children and young people (C&YP) at the moment. We have listed these events in order to be transparent about the full range of activities that are taking place in Swindon, for all disabled children. We have included contact details for closed activities, so that if you think they may be suitable, you can contact them to find out about possible future opportunities / join waiting lists.

The other activities listed are **OPEN** but some may have limited space or criteria. Each activity in the Calendar is numbered - look up the number in the Activity List for details. Activities not yet set for specific dates are not in the Calendar, but known details and a contact are in the Activity List. Every effort has been made to ensure that details are accurate at the time of print. If you have difficulty contacting any of these services or you want to add your name to our list to ensure you receive future leaflets get in touch:

 01793 716811  sadie@swindon-pct.nhs.uk
